

# SATISHCHEMICALS

## An ISO 9001:2008 Certified Company

We are one of the top-notch manufacturers, exporters and suppliers of a comprehensive range of industrial inks. Our range is widely acknowledged for accurate composition, bright colors and excellent adhesion to various substrates.

## COMPANY PROFILE

manufacturer, exporter and supplier of premium quality Industrial Inks. These include Dye Base Ink & Pigment Base Ink as well as Water Base Flexo Printing Inks for Paper Ruling & Craft Paper. Our range is uniquely formulated in order to assure precise pH value, bright color and adhesion to various substrates.

We are customer oriented and hence follow stringent measures at various stages of production and post production in order to meet their bulk demands within the stipulated time period. In our quest to attain the same, we have developed a state-of-the-art

infrastructure and have employed skilled & industrious professionals in the team. Their in-depth expertise along with the latest technology enables us in offering our clients based across the Indian Subcontinent a quality assortment of industrial inks.

Under the proficient guidance of our mentor “Mr. Satish Manglani”, we have been able to build a vast client base for our range of Industrial Inks. He has in-depth expertise in the domain and ensures to follow ethical & transparent business policies in order to maximize clients' satisfaction.
